Question: Must taxpayers show the full taxpayer identification numbers (TINs) of the partnership representative and designated individual on the Form 1065, *U.S. Return of Partnership Income*, and Form 1066, *U.S. Real Estate Mortgage Investment Conduit (REMIC) Income Tax Return*, filed with the IRS?

Answer: On Form 1065 and Form 1066, under Designation of Partnership Representative, taxpayers may enter all 0s (example: 00-0000000 or 000-00-0000) for the TIN of the partnership representative and designated individual (if applicable). A preparer tax identification number (PTIN) or centralized authorization file (CAF) number may not be used as a TIN to designate a partnership representative or designated individual.

This update supplements these forms' instructions. Filers should rely on this update for the changes described, which will be incorporated into the next revision of the forms' instructions.
